TO THE STAFF AT SIGNATURE HEALTH CARE

Words can never express my deep gratitude and thanks to the staff at Signature for the care and attention you gave Jean during his last days, and to the kindness you extended to me and our families by bringing us food and drinks and seeing that our needs were also met. Those last days were so very difficult, but your staff made me as comfortable as my tired body would allow.

The visits at the funeral home from Jane, Robin, David and Wanda were very special. That showing of friendship and caring was greatly appreciated.

Please thank everyone for me who was involved in Jean's care. I would like to say THANK-YOU to each one personally, but there were so many I would surely miss someone.

Barry you are to be greatly commended for your work at Signature. The atmosphere is great and the employees are very motivated and have a very positive attitude. I would like to offer some volunteer time if at sometime there is any capacity you feel I could help with.

Again, thank you from the very deepest recesses of my heart and soul.

With Warmest Regards,

Nina T. Galland

To Whom It May Concern,

I want to take time to write this short note to express my sincere appreciation for the care and comforts extended to Mr. S.D. Pirtle while he was a patient at your facility. The entire staff from nurses, dietary, and social services were absolutely committed to the well being of the patient. After seeing this care first hand I can only hope you will pass on my positive comments to your entire facility staff.

Signature HealthCare's immaculate appearance and welcoming atmospheres is also a dedication to task from your housekeeping staff. It is with deep appreciation I acknowledge their healthcare skills, concern and dedication.

Thank you,

Clayton A. Spiers, Jr.

A handwritten signature in cursive script that reads "Clayton A. Spiers, Jr." The signature is written in dark ink and is positioned below the printed name.
